Re: Sanitary Landfill Company (Industrial Waste  
Disposal Co., Inc.), Montgomery County, Ohio

Dear Sir or Madam:

The United States Environmental Protection Agency (U.S. EPA) is seeking to obtain information from you pursuant to its authority under Section 104 of CERCLA, 42 U.S.C. §9604, as amended in Title I of the Superfund Amendments and Reauthorization Act of 1986, Pub. L. 99-499 (SARA) and Section 3007 of the Resource Conservation and Recovery Act (RCRA) as amended, 42 U.S.C. §6927. This request for information is issued for the purpose of enforcing CERCLA and RCRA and for the purposes of assisting in determining the need for response to a release of hazardous substance(s) under CERCLA. The Administrator of the U.S. EPA has the authority to require any person who generates, stores, treats, transports, disposes, arranges for the disposal of or otherwise handles hazardous wastes and hazardous substances, as those terms are defined in Section 1004(5) of RCRA, 42 U.S.C. §6903(5) and Section 101(14) of CERCLA, 42 U.S.C. §9601, to furnish the U.S. EPA with information related to such activities. Pursuant to these statutory provisions, you are hereby requested to submit the following information concerning the Sanitary Landfill Company (Industrial Waste Disposal Co., Inc.) site on Cardington Road in Montgomery County, Ohio.

1. State the dates during which you owned, operated or leased the above referenced site and provide copies of all documents evidencing or relating to such ownership, operation or lease arrangement (e.g. deeds, leases, etc.).
2. Copies of all shipping documents or other business documents relating to the transportation, storage and/or disposal of waste materials or substances at the above referenced site.
3. A detailed description of the generic common and/or trade name

and the chemical composition and character (i.e. liquid, solid, sludge) of the waste material offered by you and/or transported by you to the above referenced site.

4. For each hazardous substance above, please give the total volume, in gallons for liquids and in cubic meters for solids, for which you arranged for disposal and list when those substances were transported to the above referenced site.
5. What arrangements were made to transport the hazardous substances which were taken to the above referenced site? What type of transportation was used (i.e. tankers, dump trucks, drums?)
6. Who were the generators of hazardous substances you transported, what were their previous addresses, and what are their current addresses?
7. Copies of all records, including analytical results, and material safety data sheets, which indicate the chemical composition and/or chemical character of the waste material(s) transported to, stored or disposed of at the above referenced site or offered for transportation to, storage or disposal at the site.
8. A list and description of all liability insurance coverage that is and was carried by you including any self insurance provisions, that relates to hazardous substances and/or the above referenced site and copies of all of these insurance policies.
9. For each hazardous substance please give the location at which it was disposed on the site. Please include a map of the site with disposal locations on it.

To assist you in answering this request, the information sought pertains to any and all information in your possession, custody or control relating to the operation of the above referenced site and to the transportation, storage and/or disposal of hazardous substances or the generation of hazardous substances which were ultimately disposed of or offered for disposal at the site or by site corporation, if applicable. The relevant time period for this request is from 1965 through the present.

For purposes of this information request, "shipping documents" shall mean all contracts, agreements, purchase orders, requisitions, pick-up or delivery tickets, customs forms, freight bills, shipping memoranda, order forms, weight tickets, work orders, manifests, shipping orders, packing slips, shipping logs, bills of lading, invoices, bills and any other documents that evidence discrete transactions involving shipment or the arrangement for shipment of waste materials to, through or from the above referenced site. "Waste materials" shall mean hazardous substances, solid wastes and hazardous wastes and other materials which may or may not contain pollutants and shall include reclaimed and off specification material of any kind.

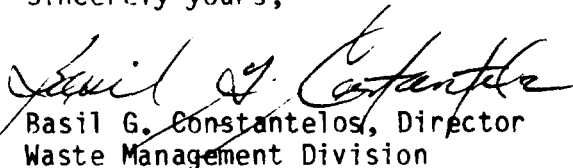

This request is directed to your company, its officers, directors and employees, and its subsidiaries, divisions, facilities and their officers, directors, and employees. The information sought herein must be sent to U.S. EPA within thirty (30) calendar days of your receipt of this letter. Failure to comply with this request may result in a civil enforcement action against you by U.S. EPA under Section 3008 in RCRA, 42 U.S.C. §6928 and Section 104 of CERCLA, as amended.

The information requested herein must be provided notwithstanding its possible characterization as confidential information or trade secrets. You may request however, that any such information be handled as confidential business information. A request for confidential treatment must be made when the information is provided, since any information not so identified will not be accorded this protection by the U.S. EPA. Information claimed as confidential will be handled in accordance with the provisions of 40 C.F.R. part 2.

The written statements submitted pursuant to this request must be notarized and submitted under an authorized signature certifying that all information contained therein is true and accurate to the best of the signatory's knowledge and belief. Moreover, any documents submitted to U.S. EPA pursuant to this information request should be certified as true and authentic to the best of the signatory's knowledge and belief. Should the signatory find, at any time after the submittal of the requested information, that any portion of the submitted information is false, the signatory should so notify U.S. EPA. If any answer certified as true should be found to be untrue, the signatory can and may be prosecuted pursuant to 18 U.S.C. 1001.

Your reply to this request for information should be sent to Ruth Mancos, Document Control Officer, U.S. EPA, 5HE-12, 230 South Dearborn Street, Chicago, Illinois 60604. If you have any questions, please call Ken Tindall, Remedial Project Manager, at (312) 353-6516 or Deborah Garber, Assistant Regional Counsel, at (312) 886-6610.

Sincerely yours,

  
Basil G. Constantelos, Director  
Waste Management Division
